

## Programming Amid COVID-19:

April 2, 2020

Dear Mulhurst Camp Family,

We wish to keep our Mulhurst Camp family updated on our response to COVID-19 (coronavirus). Our prayers are with everyone at this time. Our hope is that everyone is staying safe and continues to follow guidelines and take all recommendations and necessary precautions.

At Mulhurst, we will continue to follow all AHS guidelines and recommendations, closely monitoring the situation of COVID19. With excitement and hope, we are still preparing for an amazing summer of camp! Our goal is to have all staff in place and ready for training and the camp season. Campers can still plan on reserving their spot, by registering for one of our week-long camps, with the understanding that if camps are cancelled, we will fully refund. With fairness to our summer staff, we will make our final decision by June 1 on whether camp will run.

We will continue to keep you updated with information we feel you, as our camp family, should know about. If at any time you have more questions, please do not hesitate to reach out. [office@mulhurstcamp.ca](mailto:office@mulhurstcamp.ca) or 780.389.4355.

Please consider, as you are able, how you can continue to support the ministry of Mulhurst during this time. Please pray for us and for our staff who are preparing for a summer of fun and inspiration.

From a Place in the Son,

Sheryl Stone,  
Executive Director Mulhurst Camp

Mulhurst Lutheran Church Camp Association

P.O. Box 78, Mulhurst Bay, Alberta T0C 2C0
